

Adventure Way

BRISBANE TO ADELAIDE

adventureway.com.au

The Adventure Way connects the coast to the real outback

The Adventure Way takes you from Brisbane to Adelaide via Queensland's richest grain and cotton producing area surrounding Dalby, through Brigalow and Belah belts to the outback plains where mulga lines the road and eventually gives way to a treeless gibber landscape at the Queensland / South Australia border.

From Innamincka, follow the historic Strzelecki Track to the Flinders Ranges and finally to Adelaide.

The rewards of the journey are many. Discover the magnificent landscape, the native flora and fauna, the rich history of our early pioneers, and the *Spirit of Adventure* inside us all.
